REPORT OF FIRST PAEDIATRIC COMPANION WORKSHOP 2019

HELD ON 6th January 2019 at Indiana Hospital and Heart Institute Mangalore Karnataka, India

Indian Academy of Pediatrics under aegis of IAP ACTION PLAN 2018-2019, with guidance of Central IAP conducted the first ever Pediatric companion workshop 2019 on 6th January 2019 at Indian Hospital and Heart institute, Mangalore. This was the first ever workshop of its kind to be conducted in INDIA and was launched in Mangalore. The workshop was conducted on the theme “common issues, current concepts, from pitfalls to perfection”.

Six eminent speakers from across the country were invited to speak on various topics. The faculty included

Dr. SANTOSH SOANS, Dr. ABHAY SHAH

Dr. VASANT KHALATKAR, Dr. UDAY PAI, Dr. MAHESH MOHITE, Dr KIRAN BALIGA

The program was mainly focused for the benefit of post graduates and practicing pediatricians to sensitize them on the current trends and concepts of the changing face of pediatric protocols and managements of various commonly encountered emergencies.

The program was also attended by senior pediatricians and IAP members of the district branch also during the occasion we launched our official district website www.iapdk.org
